1. INTRODUCTION

1.1 Background

- 1.1.1 The Government of India (“GOI”) has entrusted the responsibility to National Industrial Corridor Development and Implementation Trust (“NICDIT”) for development, operation and maintenance of greenfield Multi Modal Logistics Hub (“MMLH”) at Greater Noida in the state of Uttar Pradesh (U.P.) (“State”) through Public-Private Partnership (the “PPP”) on Design, Build, Finance, Operate and Transfer (“DBFOT”) basis (the “Project”).

For this purpose, NICDIT and Government of Uttar Pradesh (“GOUP”) (represented by Greater Noida Development Authority (“GNIDA”)) has promoted and incorporated Delhi Mumbai Industrial Corridor Integrated Industrial Township Greater Noida Limited (“DMIC IITGNL”) as a Special Purpose Vehicle (hereinafter referred to as the “Authority” which expression shall unless repugnant to the context or meaning thereof, include its administrators, successors and assigns) and the Authority has, therefore, decided to carry out the Bidding Process for selection of the Bidder to whom the Project may be awarded.

Location of the Project

The site of the Project is spread across an area of approximately 311 Ha (Three hundred eleven hectare) (as per revenue records) excluding railway approach track. This site includes land allocated for internal siding and associated railway works.

An extra parcel of land is proposed to be developed for track infrastructure to accommodate long-haul trains (shown In Map 1 Concept Master Plan of Schedule A Draft Concession Agreement), aiming to enhance operational efficiency. This additional parcel may be made available to the Concessionaire during the tenure of the Concession.

The site is located in Greater Noida in the Dadri block of Gautam Buddh Nagar district of U.P and is adjacent to the existing Delhi-Howrah broad gauge line in the southwest and old National Highway 91 (NH-91) in the north-west. The key advantage of this Project lies in its location since it is strategically positioned close to the congruence point of Eastern Dedicated Freight Corridor (EDFC) and Western Dedicated Freight Corridor (WDFC) and thus has the advantage to tap the potential traffic along the DFC corridor and improve efficiency of operations of existing and proposed industries in the region.

Brief particulars of the Project are as follows:

The Project is envisaged to be developed as world class multi-modal logistics park with facilities for storage, aggregation and export/import of industrial freight in the region, alongside other logistics value added services including facility to provide commercial space to host freight companies within the identified location. It is proposed to develop the Project in a phase-wise manner over the Concession Period. In the phase I, the Concessionaire needs to build the Project with design handling capacity of 0.74 (zero point seven four) Million TEUs container traffic and 6.7 (six point seven) Million tons non-containerized traffic per annum. The trigger for the subsequent phases shall be determined as per the following table:

Table 1: Design Capacity and Traffic Triggers for Phasing

Phasing	Phasing Traffic Design Capacity	Trigger for Phasing
Phase I	(a) Containerized - 0.74 million TEUs (b) Non-containerized - 6.7 MTPA	-
Phase II	(a) Containerized – 1.12 million TEUs (b) Non-containerized – 7.2 MTPA	5 th year after COD or 80% of Phase I container capacity, whichever is earlier

Phase III	(a) Containerized – 1.44 million TEUs (b) Non-containerized – 7.8 MTPA	10 th year after COD or 80% of Phase II container capacity, whichever is earlier
-----------	---	---

For avoidance of doubt,

In addition to the facilities required to support above mentioned capacities, the Project is proposed to provide modern warehousing and cold storage facilities in a phase-wise manner over the Concession Period. In the phase I, the Concessionaire needs to create built up area of 3 (three) Million square feet for modern warehouse and 0.3 Million square feet for cold storage. For phase II and phase III, indicative warehousing capacity and cold storage has been provided in table below, however, the Concessionaire may develop these facilities as per actual market demand over the concession period.

Phasing	Warehousing and Cold Storage Capacity		Trigger for Phasing
	Warehousing (Million square feet)	Cold Storage (Million square feet)	
Phase I	3.0	0.3	-
Phase II	4.0	0.4	actual market demand
Phase III	5.5	0.5	actual market demand

Estimated total project cost for all the 3 (three) Phases for the Project (inclusive of escalation) is INR 5,881 Crores (Rupees Five Thousand Eight Hundred and Eighty One Crores Only) (hereinafter referred to as **Estimated Project Cost**). Phase wise distribution is provided below -

- Phase 1 a sum of Rs 2,374 Crores (Rupees Two Thousand Three Hundred and Seventy Four Crores Only)
- Phase 2 a sum of Rs 1,412 Crores (Rupees One Thousand Four Hundred and Twelve Crores Only)
- Phase 3 a sum of Rs 2,095 Crores (Rupees Two Thousand and Ninety Five Crores Only)

To develop the Project, the Authority intends to qualify and short-list suitable Bidders (the “**Qualified Bidders**”) who will be eligible for participation in the Financial Bid Opening Stage, for awarding the Project through an open competitive bidding process in accordance with the procedure set out herein.

- 1.1.2 The selected Bidder shall incorporate a Special Purpose Vehicle (SPV) under the Companies Act, 2013, as per Clause 2.2.6 prior to execution of the Concession Agreement (the “**Concessionaire**”), and shall be responsible for designing, engineering, financing, procurement, construction, operation, maintenance and transfer of the Project under and in accordance with the provisions of a concession agreement (the “**Concession Agreement**”) to be entered into between the Concessionaire and the Authority in the form provided by the Authority as part of the bidding documents pursuant hereto.
- 1.1.3 The scope of work of the Concessionaire will broadly include designing, engineering, financing, construction and development of the storage yards for various types of containers (empty, import export and those requiring refrigeration facility), container freight station (CFS) with stuffing and de-stuffing facility and custom examination of loose goods, track-side warehouses for bulk goods, yard for repairing of sick containers, customs office, office for operators and general administration, weigh bridges and other services like fuel stations, canteens, banking etc., parking space for handling equipment used for loading / unloading of rakes, spaces for parking of trucks and other vehicles, bonded warehouses, cold storage, processing units for providing value added services, commercial buildings for meeting the needs of various Project operators, utilities like sewage treatment plant (STP), water treatment plant (WTP), sub-station etc. (as defined in the Concession Agreement) for the

Project and the operation and maintenance thereof in accordance with the Concession Agreement and applicable laws.

- 1.1.4 Indicative capital cost of the Project (the “**Estimated Project Cost**”) has been specified in Clause 1.1.1 above. This cost is however indicative in nature and the interested Bidders (the “**Bidders**”) will have to make their own independent assessment of cost of the Project.
- 1.1.5 The Concession Agreement sets forth the detailed terms and conditions for grant of the concession to the Concessionaire, including the scope of the Concessionaire’s services and obligations (the “**Concession**”).
- 1.1.6 The statements and explanations contained in this RFQ-cum-RFP are intended to provide a better understanding to the Bidders about the subject matter of this RFQ-cum-RFP and should not be construed or interpreted as limiting in any way or manner the scope of services and obligations of the Concessionaire set forth in the Concession Agreement or the Authority’s rights to amend, alter, change, supplement or clarify the scope of work, the Concession to be awarded pursuant to this RFQ-cum-RFP or the terms thereof or herein contained. Consequently, any omissions, conflicts or contradictions in the bidding documents including this RFQ cum RFP are to be noted, interpreted and applied appropriately to give effect to this intent, and no claims on that account shall be entertained by the Authority.
- 1.1.7 The Authority shall receive Bids pursuant to this RFQ-cum-RFP in accordance with the terms set forth in this RFQ-cum-RFP and other documents to be provided by the Authority pursuant to this RFQ-cum-RFP, as modified, altered, amended and clarified from time to time by the Authority, and all Bids shall be prepared and submitted in accordance with such terms on or before the date specified in Clause 1.3 for submission of Bids (the “**Bid Due Date**”).
- 1.1.8 The Bidding Documents include the Draft Concession Agreement for the Project which is enclosed. The executive summary of the Techno-Economic Feasibility Report prepared by the consultant of the Authority (the “**Feasibility Report**”) is also enclosed. Subject to the provisions of Clause 2.1.3, the aforesaid documents and any addenda issued subsequent to this RFQ-cum-RFP, will be deemed to form part of the Bidding Documents.

- 1.2.6 During the Bidding Process, Bidders are invited to examine the Project in greater detail, and to carry out, at their cost, such studies as may be required for submitting their respective Bids for award of the Concession including implementation of the Project.
- 1.2.7 Brief description of the bidding process is illustrated below:
 - (a) Bidders meeting the eligibility criteria as defined in Clause 2.2.2 and Clause 2.2.3 shall be considered for scoring and for further stages for evaluation.
 - (b) Bidders qualified as per the criteria defined in Clause 2.2.2 and Clause 2.2.3 shall be scored as per Clause 3.2.5.
 - (c) Authority will open the Financial Bid of the Qualified Bidders as per Clause 1.2.7 (a). Bids are invited for the Project on the basis of the highest Minimum Guaranteed Revenue Share (in INR) (on XNPV basis adjusted on the Appointed Date) (the “**Bidding Parameter**”) to be computed as per formula given in this Clause 1.2.7(c) of this RFP. The bidding parameter shall be the Minimum Guaranteed Revenue Share (on XNPV basis adjusted on the Appointed Date) and shall be paid as per the provisions of Article 25 of the Concession Agreement. The Concession Period is predetermined, as indicated in the Concession Agreement. The Minimum Guaranteed Revenue Share shall constitute the sole criteria for evaluation of Financial Bids. The Project will be awarded to the Bidder quoting the highest Minimum Guaranteed Revenue Share (Highest Bidder).

Note: The Highest Bidder, upon signing the Concession Agreement, shall pay to the Authority Minimum Guaranteed Revenue Share/Premium (Revenue share) and a fixed annual License Fee as a consideration towards grant of Concession as per the terms of the Concession Agreement as detailed in Article 25 and Schedule M.

As financial bid, Bidders will be required to offer a:

1. Revenue Share (Equivalent to Premium as defined in the Draft Concession Agreement Clause 25.3) as a percentage, quoted up to two decimal places of the Gross Revenue

2. Projected Gross Revenue on quarterly basis for the entire operation period
3. Minimum Guaranteed Revenue Share (quarterly basis) calculated as the multiplication of the revenue share (%) with the quarter wise Gross Revenue

Bidders will also compute the XNPV of the Minimum Guaranteed Revenue Share adjusted to Appointed Date at a discount rate of 8% (eight per cent). For XNPV calculation, Appointed Date shall be 31.12.2026 and Commercial Operation Date shall be 01.01.2029.

$$XNPV = \sum \frac{\text{MGR of entire Operation period}}{(1 + D)^i}$$

where,

D = Discount rate of 8% (eight per cent)

i = Year for which MGR is considered

Subject to Clause 1.2.7, the Project shall be awarded to the Bidder quoting the highest Minimum Guaranteed Revenue share (on XNPV basis adjusted to Appointed Date).

The Revenue Share in terms of percentage is only for facilitation of quarterly payment as stipulated in Article 25 and Schedule M of the Concession Agreement. This will have no bearing during evaluation process of the bid in accordance with Clause 3.6 and 3.7 of this RFP.

In this RFQ-cum-RFP, the term “**Highest Bidder**” shall mean the Bidder who is offering the highest Minimum Guaranteed Revenue share (on XNPV basis adjusted to Appointed Date) subject to Clause 1.2.7. The highest Minimum Guaranteed Revenue share shall be calculated as per the final number submitted in the excel sheet adjoining this RFP.

Generally, the Highest Qualified Bidder shall be the Selected Bidder. The remaining Qualified Bidders shall be kept in reserve and may, in accordance with the process specified in this RFQ-cum-RFP, be invited to match the Financial Bid of the Highest Bidder in case such Highest Bidder withdraws or is not selected for any reason. In the event that none of the other Qualified Bidders match the Bid of the Highest Bidder, the Authority may, in its discretion, either invite fresh Financial Bids from the remaining Qualified Bidders or annul the Bidding Process.

- 1.2.8 The Concessionaire shall in consideration of its own business assessment and provision of services, be entitled to levy and collect tariffs from users for MMLH services on and related to the MMLH.
- 1.2.9 Any queries or request for additional information concerning this RFQ-cum-RFP shall be submitted by a letter or an e-mail correspondence to the officer designated in Clause 2.13.5 below by the specified date. The envelopes/communications shall clearly bear the following identification/title:

Guidelines of the Department of Disinvestment

(Refer Clause 1.2.1)

No. 6/4/2001-DD-II

Government of India

Department of Disinvestment

Block 14, CGO Complex
New Delhi.

Dated 13th July, 2001

OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

- (e) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory Transaction Authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government of India.
- (f) In regard to matters relating to the security and integrity of the country, any charge- sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/ persons.
- (g) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.
- (h) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.
- (i) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.
- (j) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.
- (k) Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory Authority is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information

should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
